

BTEC Technical Award in Creative Media Production

Headlines:

- Students have completed **30%** of the course and should know their mark and grade.
- Students are currently completing Component 2 in lessons which is worth a further **30%**
- Students will complete a 10-hour External assessment in the summer which accounts for the last **40%**

Component 2:

- Students are completing the component in lessons and have until December to plan, build a review a website.
- All work for this component must be completed in lesson under supervised conditions.
- Students will be placed in detentions as support session if they are deemed to require more time to achieve their best.
- An optional support session timetable has been created which is on the back of this document where students can attend and complete, edit and improve work in a supervised environment.
