

GCSE Art & Design subjects - Key information

AQA GCSE Art & Design

● **Fine Art**

Your final grade will consist of two elements.

60% - coursework and 40% - exam

At the end of December you will submit your coursework. This must cover all four Assessment Objectives and demonstrate the use of a range of materials and techniques. It must include a sustained project that shows a journey from initial ideas to the realisation of intentions. In January you will be given your exam paper. You will choose a theme from this paper and explore the theme in depth leading to a final outcome.

You will complete your final outcome in a 10 hour exam.

18th December - coursework hand in deadline

January - exam paper available

April - 10 hour final exam - date TBC

GCSE Fine Art

Natural or Man-made Forms

Personal project with a starting point from six titles

You are expected to submit two projects with supporting work for this course.

This includes at least one sketchbook, a selection of folder work, a clay pot and a final outcome for your personal project. All work must be well organised and annotated and must demonstrate the use of a range of materials and techniques.

ESA - exam project. You will receive an exam paper in January and will choose one title from this.

Between January and April you will develop an independent project leading to a personal final outcome. You will create your final outcome in the 10 hour exam in April.

We can be contacted on the following email addresses:
