Wed 26 Jun	GCSE National Examination Contingency Day – All students must be available in case a significant, unexpected event arises during the exam period such that no students (or a large number of them) are able to take an exam when planned.
-------------------	--

On the Day:

Exams will start at 8.30am and 12.45pm. Therefore, you need to use lockers and organise yourself to be in the Sports hall ready BEFORE these times.

Do not be late! Being disturbs other students.

If you do have a problem, contact the school on **02392 364536** and speak to the receptionist, then get to school as soon as you can.

Check what you need to bring in for each exam.

Equipment: Black Pens only and at least one spare, scientific calculator, 30cm ruler, rubber and sharp pencils etc.

Tippex is not allowed. All equipment must to be carried in a see-through pencil case or plastic bag.

In addition:

Mathematics – Scientific/graphical calculator, protractor and a pair of compasses.

Science – Protractor

There must be no talking or communication of any sort once you enter the exam hall. Do not touch or open the exam paper until you are told to do so.

No mobile phones (even if they are turned off), MP3 players, smart watches or any other electronic devices. No papers/notes/books (even in pockets) can be taken into the exam.

If you are wearing a wrist watch you must remove it and place it on the desk in front of you. Your watch cannot be placed back on your wrist until all exam papers have been collected.

No bags/coats etc. are to be brought into the Sports Hall prior to your exams (these must be left in your locker). If bags/coats are left outside the Exam Hall, **we cannot be held responsible for any loss.**

No packets or instructions for calculators (if instructions are printed on the lid it needs to be left outside the exam hall).

No food can be taken into the Exam Room, only small clear bottles of water (with any labels removed) are allowed and must be kept on the floor by your desk.

GCSE EXAMINATION TIMETABLE
